VOLUNTEERS.

Cost June 3. 1865.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificate; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for hauling bone or equipage on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing accounted, and all other charges against him or his horse, so as to complete a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receives any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, unless by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Laundresses to be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he had one, should be sent with his final statements, to Captain, U. S. Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the words for One, &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "veteran," (or recruit,) the words or a veteran, (or recruit,) as the case may be, should be inserted after the word mustered into the service of the U. S. A statement of all the clothing of Soldiers or drafted Enemy Soldiers by the Soldier should be on the back of each final statement.

ARTICLES OF WAR.

ART. 86. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

DIRECTIONS.

NOTE 1.—One copy of the inventories of the effects of deceased non-commissioned officers and soldiers, required by the 86th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., in duplicate, will be sent to the Adjutant General with one copy of the inventory. Both inventory and final statements should be forwarded, as a general rule, through Regimental Headquarters. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish, direct to the Adjutant General, the required inventory and final statements, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed "Inventory of the effects of ——— ———, late of company (—) —— regiment of ———, who died at ——— the —— day of ———, 186—." If a legal representative receive the effects, it will be stated in the report. If the deceased leave no effects, the fact will be reported on the blank for inventory.

[illegible] the effects of a deceased non-commissioned officer or soldier not to be administered upon within a short period after his decease, they [illegible] by a Council of Administration under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased. This should be done according to Forms 5 and 6, and one copy of each sent to the Adjutant General. No copy of the order convening the board is required, the approval of the commanding officer being sufficient.

NOTE 3.—In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds duly certified by the Council and commanding officer, (Form 5,) accompanied by the Paymaster's receipt of the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed "Report of the proceeds of the effects of ——— ———, late of company (—) —— regiment of ———, who died at ——— the —— day of ———, 186—."

NOTE 4.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 5.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General, and one retained by the officer.

NOTE 6.—Where a soldier dies in hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 7.—Form 1 will be forwarded in duplicate to the Adjutant General, through Regimental Headquarters, as soon as possible after the death of the soldier, accompanied by one copy of Forms 2 and 3, or 4, as the case may require. A duplicate of the inventory (Form 1) should be retained until the articles are finally disposed of.

NOTE 8.—The papers for each man should be made SEPARATELY for each man, and, when possible, fastened together. This is especially necessary, and must be done in all cases. The papers cannot be properly disposed of at the Adjutant General's Office unless this is done, and must be returned for correction.

NOTE 9.—Where there are no line officers, as for instance, a general hospital without a line officer to command the guard, the Council of Administration may be made up from other commissioned officers, in the same way as prescribed for line officers.

NOTE 10.—Where a soldier dies away from his company or regiment, and the officer having charge of him cannot furnish Final Statements by reason of not being able to obtain a Descriptive List, he should notify the regimental or company commander, (giving him full particulars as to history and description of the man, as far as possible,) whose duty it will then be, in each case, to furnish the necessary papers from the best data he can obtain.

FINAL STATEMENT

1865

Victor Omier

Co. K 55 Reg't of 2d Ind. Cav.

VOLUNTEERS.

Date May 14 1865.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he have one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receives any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last, final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for lost or injury to clothing, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."—

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteer and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he had one, should be sent with his final statements, to duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for time, &c., of service, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be inserted after the words mustered into the service of the U. S. A statement of all the installments of Bounty or Bounty Money RECEIVED by the Soldier must be made on the back of each final statement.

And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to the representatives for the same, have occasion to leave the regiment or army by preferment or otherwise, they shall, before they be permitted to do the same, deposit in the hands of the commanding officer, or of the next military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be accounted for, and paid to their respective representatives.

Note 1.—The Oath will be read to the recruit before the Mustering Officer, and he will be required to answer distinctly whether he understands it, and assents to it.

In all cases where the recruiting officer is not present at the enlistment (as in the case of recruiting parties), the recruiting officer of the nearest station will be notified by telegraph, and will immediately forward the papers to the Mustering Officer.

Note 2.—The Regiment and Company in which the soldier last served should be given on the back of the Declaration.

Note 3.—An enlistment both to service and discharge. A commission must, in all cases, be obtained from the Adjutant General's Office as evidence of honorable discharge. The mustering officer will, therefore, transmit the papers, directly after the muster, to the Adjutant General of the State, who will countersign the enlistment as having received the soldier into the service of the United States.

General

I would respectfully call your attention to the following facts. Soldiers (of whom I have the honor to be one) were enlisted by Capt Jas. T Roberson, on or about Nov 14th 1864 at Covington for the 5th Ky Vols. A discrimination of enlistment were different bounties paid between three hundred & four hundred Dollars. It is sufficient to say, our bounties only not been paid but probably never will be, if left with Field & Line Officers. I was promised at the same time a Govt bounty of $200 as a veteran.—

Now we appeal to you, satisfied that you will do the private soldier justice against men, who, to day, hold a thousand or fifteen hundred dollars of ill-gotten gains. I would not impeach my officers without cause, but I can establish by evidence that Capt Roberson holds the thirds of bounties of a half dozen deserters, beside all the bounties of others. Does the law that governs enlisting officers give him these bounties?

Satisfied that the Govt does not countenance such injustice we appeal to you, General; Myself & boys only to say I have been a soldier since April 18. 1861. I have served three years in the front of the Army of the

Cumberland was severely prosecuted on the Sattinfield Raid & have come back. To be informed that Campbell Co. (1st) Cavl pay Local Bounties to men for whom she has Received Due Credit. — Lieuts Griffin & Spradling Co "C" 5th Ky Vols can certify that the above are facts.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or position, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid the judgment as to the cause, immediate or remote, of the injury, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or officers of other companies having such knowledge, will be appended—so the officer in charge of a hospital, the officer commanding detachment of recruits, &c., &c.

NOTE 2.

Where a probable cure for pension, special care must be taken to state the degree of disability—as ½, ¾, &c., &c.; and in particularity the disability, wound, or disease; and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by command of the soldier after a personal examination, and for the disability the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1000 Regulations, Edit. 1881.

Medical officers, in giving certificates of disability, are to state particularly and in all cases that have not been made under oath, and especially in epilepsy, convulsions, chronic inflammation, derangement of the urinary organs, paralysis, chronic, or any extreme disease liable to be considered as temporarily produced; and in no case shall such certificates be given after sufficient time and circumstances to detect any tendency to deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the squadron or detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward them both to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his department, or other commander or officer to whom the authority to discharge enlisted men may be specially granted.

The commander, after having received the action of the higher authority to which they are required to be sent, will by endorsement on the same direct to the regimental, post, or detachment commander, who will, if the discharge is approved by the authority to whom the papers are sent, cause the soldier to be discharged from the service, and the duplicate certificate delivered to him; or, if the soldier is enrolled with the volunteers in the field, and formal muster of them will not be made before the Adjutant General United States Army, all the papers, &c., may be sent, under any circumstances, to the Adjutant General of the State.

The oath to be taken by the recruiting officer is printed on the other side of this declaration.

NOTE 1. The recruiting officer will be careful to see that the regimental number, company, and name of the regiment in which the recruit is to serve are correctly stated in the enlistment paper, and that the latter is signed in his presence.

NOTE 2. An enlistment holds to service the soldier last served should be given on back.

A recruit who can, in all cases, provide himself with a horse, saddle, bridle, and horse equipments, is entitled to receive, in addition to the pay and allowances of a soldier, the sum of forty cents per day while he shall continue to provide himself with such horse and equipments, to be certified by the mustering officer at the time of muster into the service of the United States.

No person who has been convicted of desertion will be enlisted in the Army; and no minor under the age of twenty-one years will be enlisted without the written consent of his parents or guardian, if they have lawful claim to his services. The written consent must in all cases be filed in the Adjutant-General's Office as evidence of authority for the enlistment; and the recruiting officer will be held to a rigid responsibility for the observance of the requirements of the law and regulations in this respect. The presence of the parent or guardian, when the minor presents himself for enlistment, will be regarded as sufficient evidence of consent, unless his absence be explained in writing by the parent or guardian. The fact that the minor has been enlisted with the consent of his parents or guardian must be stated by the officer mustering him into the service of the United States before either of them is given to the discharging officer.

Note 1.—This Blank will be used for both enlistments and reenlistments. The recruiting officer will be careful to have all the questions in the declaration answered, and the certificate of the examining surgeon filled out in all cases prior to administering the oath. The regimental or company officer (not the recruiting officer) to whom the recruit is to be mustered will also fill out the certificate of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Note 2.—An intelligible bold is essential. A recruit's name, in all cases, must be filed in the Adjutant General's Office as evidence of muster. The recruiting officer, consequently, must be careful to obtain the full name of the recruit, bounty, &c. A recruit will not, in all cases, be held evidence as having received the soldier into the service of the United States unless the oath of allegiance has been administered, and the certificate of examining surgeon as to physical condition has been executed, and the recruit will continue held to service and to the pay of a private soldier only until the muster of the company or detachment to which assigned, or until otherwise ordered by the proper authority.

Each inventory will be endorsed, "Inventory of the effects of ——————, late of company (—) ——— regiment of ———, who died at ———, the —— day of ———, 186-." If a legal representative receives the effects, it will be stated in the report. If the soldier has no effects, the fact will be reported.

ART. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the president and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of ——— ———, late of company (—) ——— regiment of ———, who died at ———, the —— day of ———, 186-."

ART. 135.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, a copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

ART. 136.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

VOLUNTEERS.

Died June 10, 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out. (Final Statements are never given to men mustered out of service.) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the fact of the delivery of the duplicate certificate; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining on his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to complete a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is requested. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receives any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is inaccessible. These accounts for bounty, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, not by the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Laundress must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the sum will cannot be collected from the United States.

NOTE 7.—This blank will be used for deserted volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for Ohio, &c., of enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be inserted after the words appointed from the service of the U. S. A statement of all the installments of Pension or Bounty RECEIVED by the Soldier must be made on the back of such final statement.

NOTE 1.—An alien cannot be enlisted in the Army, nor can any person who has not resided in the United States one year next preceding the date of his enlistment, unless he was in the service of the United States at the time of the passage of the act of July 4, 1864, or has enlisted or been drafted in some State. The Recruiting Officer is required to certify on the muster-roll the fact and date of the recruit's declaration of his citizenship or of his intention to become a citizen, and the name, date, and court of his naturalization, if he be naturalized; and the fact, date, and place of the muster of each recruit into the service of the United States.

NOTE 2.—An alien duly enlisted, who has declared his intention to become a citizen, may be discharged on his own application, at any time before muster into the service of the United States, on making oath before a competent officer that he has changed his mind and does not intend to become a citizen. The Recruiting Officer is required to certify on the muster-roll the fact and date of the discharge, and the reason therefor, and to report the same to the Adjutant General's Office, as evidence of such discharge. The remaining class, consisting of persons who have declared their intention to become citizens, and who have not exercised the right of withdrawal, are entitled to be mustered into the service of the United States before either of them is given to the disclosure of his intention.
